**RE: Repair Report**

To the members of the Prince Hall Affiliated Masonic Association we the Association Administration report the following actions and repairs that have taken place since last reported in May 2025.

**Administrative Actions**

- Met with Metro Waters on 8/1/2025 for reinspection of Backflow.
  - We passed inspection, but we must get test adaptors and dust caps installed before next year's inspection.

**Physical Actions**

- Women's toilet upstairs was repaired
- Lighting in Lodge and Chapter Room converted to LED lights
- Kitchen Warmer and Refrigerator Cleaned Again
- Bathroom Urinal Mats Changed out
- Toilet Paper, Sani-Wipes, Table Dollies, and Larger Gloves purchased
- Capacitor on right side HVAC unit replaced

**Upcoming Projects**

- Painting downstairs and steps
- Light conversions to LED lights for downstairs including changing downstairs restroom light fixtures
- Complete Ceiling Tile Replacement
- Monitor Kitchen Sink Drainage
- Change out door codes for new administrations
