**RE: Senior Deacon's Car Wash Committee Report**

<b>Committee:</b>	Senior Deacon's Car Wash
<b>Project Scope:</b>	Car wash 2025
<b>Date of Project:</b>	September 20, 2025
<b>Project Status:</b>	Completed

**Final Report**

The 14<sup>th</sup> Annual Senior Deacon's Car Wash occurred on Saturday, September 20, 2025. The location this year was Citizen's Bank, at 2013 Jefferson Street. This year, the car wash was again a joint event with Electa #1, who sold food while we washed cars. We had a great number of brothers and sisters in attendance, and the event was filled with both hard work and excellent fellowship.

We were again fortunate to have a good number of brothers who donated their time and supplies to make the Car Wash a success, with the majority of brothers staying the entire time the event took place.

A complete financial report is attached to this report. Our total gross income was \$1035.89. After expenses, we netted \$957.79. This divides to \$478.90 cent. We are again lower than the previous year's sales, and again we suffered from a minimal push of the event. The outgoing and incoming SD did work together this year, which was helpful, especially with regard to location. Flyers should have gone out in July, most likely. In addition, I think the grill that Electa had last year was a big draw and we should see if that can be brought out again next time. In addition, if they were selling fried fish, sales would definitely improve, though one or two of us would need to step in to do the frying. I have mentioned both of these things to Sister Lytle.

Electa #1 very much enjoys working with us on this event, and the committee believes it does a good job fostering our connection to our Sisters.

Citizen's Bank again required their security guard to be present, but he only charged \$25 per hour this year.

A huge thank you to those that donated funds and supplies, and especially to those that worked hard throughout the day to make the Car Wash a success.
