**RE: Repair Report**

To the members of the Prince Hall Affiliated Masonic Association we the Association Administration report the following actions and repairs that have taken place since last reported in September 2025.

**Administrative Actions**

- Ice Machine down and scheduling for repair.
- There will be budget changes in 2026 due to some Auxiliary bodies meeting elsewhere.
- 2026 Invoices will be email at the beginning of December once confirmed no more initiations are taking place.

**Physical Actions**

- Downstairs floor has been scrubbed and waxed including kitchen area.
- We have table dollies for storage and movement of tables.
- New commercial brooms have been purchased and all old brooms thrown away.
- New door stops have been installed in Lodge, Chapter rooms, and Stairway.
- The Shark robot vacuum is now functioning upstairs. Courtesy of WM Willie Agee III (doesn't mean you don't have to vacuum).
- New Fire Extinguishers have been purchased and installed. (1 in multipurpose room other in kitchen)
- Dust mop heads have been replaced.
- Upstairs hallway has been scrubbed.
- All HVAC Units Serviced (\$1,400)
- Commercial Vacuum Cleaner Purchased
- Additional Door Stops purchased
- Initial Paint supplies and additional paint will be purchased in the next couple of weeks.

**Upcoming Projects**

- Light conversions to LED lights for downstair including changing downstair restroom light fixtures
- Complete Ceiling Tile Replacement
- Monitor Kitchen Sink Drainage
