

Grand Knight,

Thank you for your organizations overwhelming support. The in kind and financial support helps to make the outreach ministry provide those in need the basic needs for everyday living.

Here is just a snapshot of what the ministry has been able to do over the first quarter of 2026. This data fluctuates each quarter up and down.

However, we try to meet those that knock on the doors with judgement. The beautiful of what the outreach does is to try to see Christ in those we serve, feeding the soul and heart as well, through are mission of helping those in the community.
