

Sock Drive Newspaper Article Kirjathjearim Lodge No.104 Delivers 1,682 Pairs of Socks to Support the Unhoused

Kirjathjearim Lodge No.104 has completed its second annual Sock Drive for the Unhoused, collecting and delivering 1,682 pairs of socks to St. Vincent Catholic Outreach in Nashville. The drive ran from March 31 through April 30 and drew support from lodge members, families, coworkers, and community partners.

Volunteers delivered the socks on Thursday, May 29, 2026, where lodge members and outreach staff worked together to sort and organize the donation. Socks remain one of the most requested but least donated essentials among the unhoused population, making the contribution especially impactful.

This year's total marks a significant increase from the lodge's inaugural drive and highlights the growing community engagement surrounding the project. Kirjathjearim Lodge No.104 plans to continue the annual effort as part of its ongoing commitment to service and outreach in the Nashville area.
