

YOUR GENEROSITY MAKES A DIFFERENCE

As we reflect on another successful fiscal year, the Tennessee State University Foundation and its Board of Directors are reminded of the tremendous impact our donors make in the lives of TSU students.

During FY26, the TSU Foundation awarded \$4,516,404.71 in scholarships, providing financial support to students as they pursued their educational goals. In total, 1,340 scholarships were awarded to 990 students.

These numbers represent much more than dollars and awards. They represent students who were able to continue their education, remain focused on earning their degrees, and take another step toward achieving their dreams.

YOUR SUPPORT. THEIR FUTURE.

Your generosity reaches across Tennessee State University, supporting students in colleges, schools, departments, and academic programs throughout the University. Every scholarship provides more than financial assistance—it provides an opportunity and a reminder to a student that someone believes in their future.

A HEARTFELT THANK YOU

On behalf of the TSU Foundation Board of Directors and myself, I want to sincerely thank you for your continued generosity and commitment to Tennessee State University.

We are grateful for the trust you place in the Foundation and for your decision to invest in our students. Your support allows us to provide meaningful opportunities and helps ensure that donor dollars make a lasting difference.

The impact of your generosity can be seen in every scholarship awarded and every student who has the opportunity to continue their education. We are proud to partner with you in supporting the next generation of Tigers.

Thank you for believing in our students.

Thank you for believing in Tennessee State University.

And thank you for being an important part of their success.

With Tiger Pride,
