These are the core members of these committees for Masonic year 26-27. **Committee chairs have the latitude to enlist any willing and able brother to assist on their committee and to remove members, with permission of the WM, who refuse to meaningfully contribute.** Committee chairs are empowered to run their committees as they see fit to accomplish the goals and tasks outlined by the committee chair/chairs.

All committee reports are due to the **Worshipful Master and Secretary the Sunday at 11:59 PM** before our scheduled Thursday meeting. The reports will be emailed to all financial brothers no later than Tuesday of our meeting week. This will allow Brothers to read the reports before the meeting, enabling the Lodge/committee chairs to address questions efficiently. Any committee reports not received prior to the deadline will be deemed a negative report for that meeting. The intent of this is to empower our committees to work outside the Lodge meeting, prevent committee work from being done during the Lodge meeting, and provide opportunities for brothers to bond while performing the work of the Lodge.

Preliminary Budgets:

CommiOees	Budget	Notes
Fundraising & Investments (F&I)	$ -	
Degree & Intake (D&I)	$ -
