Creating Value Beyond the Lodge

2026 - 2027 TRESTLE BOARD

TENNESSEE JURISDICTION - NASHVILLE DISTRICT

Chad Ivie , 33°
District Deputy Grand Master

Our North Star

“Developing Leaders. Creating Value Beyond the Lodge.”

Masonry should strengthen the Brother in every room he enters: at home, at work, in business, in the community, and in the Lodge.

01

LEADER

Lead with character, confidence, sound judgment, and service.

02

PROFESSIONAL

Build practical skills, relationships, and opportunities that advance a Brother’s career.

03

FATHER & HUSBAND

Strengthen presence, communication, responsibility, and the example we set at home.

04

BUSINESSMAN

Create access to knowledge, networks, financial discipline, and business opportunity.

05

MASON

Deepen brotherhood, accountability, service, and commitment to the Craft.

THE EXPECTATION

Lead. Communicate. Take Ownership. Execute.

We are not building better meetings. We are building better **MEN**.

STRATEGIC FOCUS

How We Will Create Value

Every program, event, and initiative should create practical value a Brother can carry into real life.

01 LEADERSHIP DEVELOPMENT

Officer readiness • Mentorship • Communication • Decision making

Prepare Brothers to lead with confidence, clarity, and accountability.

02 PROFESSIONAL & BUSINESS GROWTH

Career growth • Networking • Financial knowledge • Entrepreneurship

Help Brothers expand opportunity, build relationships, and move forward professionally.

03 BROTHERHOOD & LIFE

Family • Fellowship • Personal growth • Accountability

Build stronger men by supporting the whole Brother, not just the Mason in the meeting.

04 SERVICE & COMMUNITY INFLUENCE

Purposeful service • Partnerships • Civic presence • Mentoring

Turn our leadership outward and make the District a visible source of value in Nashville.

THE QUESTION BEHIND EVERY ACTIVITY

“What value did this create for a Brother beyond tonight’s meeting?”

Create value that Brothers can feel, use, and pass forward.

FROM ACTIVITY TO IMPACT

What Success Looks Like

We will measure success by changed behavior, stronger Brothers, and visible impact, not attendance alone.

1 LEARN

Gain practical knowledge and perspective.

2 APPLY

Use it at home, work, business, and Lodge.

3 LEAD

Take ownership and deliver with discipline.

4 MULTIPLY

Mentor another Brother and grow the impact.

EVIDENCE WE ARE MOVING THE DISTRICT FORWARD

- ✓ More Brothers are prepared and willing to lead.
- ✓ Communication, follow through, and accountability are stronger.
- ✓ Brothers build more professional and business connections.
- ✓ Leadership is visible at home and in the community.
- ✓ Lodge and District work has clearer ownership and execution.
- ✓ Brothers enjoy the experience and see a reason to stay engaged.

MASONRY THAT SHOWS UP IN REAL LIFE.

Work hard. Serve well. Develop leaders. Create value. And yes, **LET'S HAVE FUN**.

The standard is simple: lead, communicate, take ownership, and execute.
